Since that time both LAC and ______ on the theory that we would ask for a recall of at least one aircraft, have scheduled No. 348 to return to _____ rather than to _____ Also, they have requested that we ask for one other aircraft in addition to 348, namely No. 347. The aircraft which would be sent to _____ would therefore

No. 347. The aircraft which would be sent to would therefore be 356. No. 347 has been selected over 356 because it is presently in flyable condition and is being used for R & D cheek out flights at the present time. The main reason for selecting No. 348 is that is is in-

strumented for System VI tests.
